

You've Been Booed!

The air is cool, the season fall,
Soon Halloween will come to all

The spooks are after things to do
In fact, a spook brought this to you

Boo is a shield from witching hour
Just hang it up and watch it's power

On your front door is where it works
It wards off spooks and scary jerks

The treats that come with cryptic note
Are yours to keep, enjoy them both

The power comes when friends like you
Will copy this and make it two...

Then others here along the street
Will say howdy-do to all they meet

We'll all have smiles upon our face
No one will know who "booed" whose place

Just one short day to work your spell
Or a big zap will stride your tail

And don't forget a nifty treat
Like something cute or something sweet

Please join the fun, lets really hear it
And spread some "Boos" and Halloween spirit

You have been Booed! Please keep it going by following these directions...

1. Enjoy your treats
2. Place your "Boo" on your front door
3. Now you have 24 hours to copy this twice, make or buy treats and copy or make two "Boos." (You can print this from www.OurNeighborhoodWebsite.com/boo)
4. Then, secretly deliver to two neighbors who don't have a "Boo" on their door.
5. Keep an eye on nearby front doors and watch how far the fun will spread.
